

**Please read these instructions for updating the firmware carefully.  
You will find the reference to the update file at the end of the License Agreement**

RICOH IMAGING COMPANY, LTD. wishes to announce the release of the Windows Updater for update the DC Software II for using RICOH G900SE /27.05.2021

## UPDATE HISTORY

Vers. 1.0.4 - 27.05.2021

- DL-20: Corrected the followings.
  - Same files are saved even though the setting of "Exclude images that have been imported even once" is enabled.
  - Folder path name where files are saved isn't displayed correctly on the DL-20 screen.

Vers. 1.0.3 – 29.10.2020

- Improved stability for general performance.

Vers. 1.0.2 – 04.08.2020

- Corrected so that EX2 works to convert correctly the camera memo data including the character code "0x5c" in the picture file under Windows 7 SP1 or Windows Server 2008 R2.
- It is changed from "Infrastructure STA" to "Infrastructure AP" about the initial value of "Connection Config" in "Web Server Options" tab. (For "Image Sync" app connection)

Vers. 1.0.1 - 20.02.2020

- Corrected so that EX2 can extract more than 128 bytes of a bar-code data which is recorded in an image file.
- Corrected that firmware update can be available by SR-20's FTPS. It takes longer to update the firmware than its FTP.
- Simplified Chinese is displayed on Chinese OS. (DL-20, EX2, LE2, ME2)
- Improved stability for general performance.

**The customer (hereinafter "the user") shall verify the following items below related to the use of the licensed software supplied to the user by RICOH IMAGING COMPANY, LTD. The download starts when you press "I agree. Start download." on this software license agreement.**

**1. Definition of terms**

- **Licensed software:** "Licensed software" means the captioned program in a format that the user can download from the RICOH IMAGING COMPANY, LTD. website or from a site empowered by RICOH Company, LTD.
- **Use :** "Use" means the user downloading and retrieving the licensed software from the RICOH IMAGING COMPANY, LTD website or from a site empowered by RICOH Company, LTD.
- **Designated machine:** "Designated machine" means the single computer system set up in order for the user to use the licensed software.
- **Reproduction:** "Reproduction" means reproducing the licensed software on a storage device in the same format as the user downloaded or a different format.
- **Modification:** "Modification" means performing alternations or making additions to the licensed software or creating separate software that makes use of all or a portion of the licensed software.

**2. Grant of license**

RICOH IMAGING COMPANY, LTD. grants a non-exclusive license to the user on the condition that the user uses the licensed software in accordance with the terms and conditions of this software license agreement. The user may only use the licensed software on the designated machine.

**3. Reproduction of the licensed software**

The user shall not reproduce the licensed software for purposes other than to save and backup the licensed software intended for use on the designated machine.

**4. Modifying the licensed software**

The user shall not modify or reverse engineer the licensed software for any reason.

**5. Property rights and copyright**

The copyright and other property rights for the licensed software and for reproductions of the licensed software belong to RICOH IMAGING COMPANY, LTD. regardless of any reason.

The user shall not remove the copyright notations from the licensed software or from reproductions of the licensed software.

**6. Grant of sublicense**

The user shall not transfer possession of the licensed software or reproductions of the licensed software to third parties, and the user shall not transfer the license nor grant a sublicense of the licensed software to third parties.

**7. Agreement period**

This software license agreement is effective on the day the user starts using the licensed software and is valid until the time the user stops use. Provided that, when the user has violated any portion of this software license agreement, RICOH IMAGING COMPANY, LTD. may revoke the license granted to the user for the licensed software and terminate the software license agreement.

**8. Obligations after termination**

After the software license agreement is terminated, the user, at the user's own responsibility, shall dispose of the licensed software after rendering it into a state where it cannot be used by third parties, and dispose of reproductions and modifications of the licensed software, and all materials related to the licensed software.

9. **Guarantee of the licensed software**

RICOH IMAGING COMPANY, LTD. shall not guarantee that the licensed software is suitable for the user's designated purposes, or that the licensed software is useful, or that this licensed software is free from defects, nor shall RICOH Industrial Solutions INC. make any other guarantees related to the licensed software.

10. **Exporting the licensed software**

The user shall not directly or indirectly export all or a portion of the licensed software without obtaining the necessary permission from the Government of Japan or the governments of the relevant countries.

11. **RICOH IMAGING COMPANY, LTD.'s responsibilities**

RICOH IMAGING COMPANY, LTD. assumes no responsibility under any circumstance for direct or indirect damage or damage from ripple effects that occurs from using the licensed software, for damage to data, programs, or other intangible properties, or for loss of usage benefits and lost profits.

12. **Responsibility for employees**

The user assumes all responsibility that the user's employees (those employees that the user has a responsibility to manage or monitor based on an employment relationship) fully comprehend the obligations set forth in this software license agreement and faithfully fulfill those obligations.

## How to Update

1. Download "dc\_software\_II\_g900se.zip" file in your PC and decompress it.
2. Find the "Setup.exe" file in the [dc\_software\_II\_g900se] folder, double click it and install by following the instructions.
